
You are invited to a
Ministry Leadership Workshop

Sr. Kathleen Schinhofen, CSJ

Ministry in a Changed Church

Our lives as ministers have been irrevocably altered by the current crises in our Church. This day of reflection will explore our terrain of ministry in the context of these experiences: What is a healthy stance for today's minister? How can we be effective witnesses to the Gospel under these circumstances? What are some useful approaches in our various ministries at this time?

Sr. Kathleen Schinhofen, CSJ, works nationally as a facilitator, counselor, and adult educator in church settings, and has recently ministered to those particularly affected by the current crisis in the Church.

This special workshop will be offered twice, for your convenience:
